***City-Wide Trash Service – Final Implementation to Begin***

**Westfield, IN** - The final implementation of City-Wide Trash and Recycling Services for the remaining 17 Westfield subdivisions is scheduled for July 1<sup>st</sup>, 2009.

Republic's last days of pick up will be Wednesday, June 24<sup>th</sup> and Thursday, June 25<sup>th</sup> on the normal scheduled day of pick up. Republic will also be picking up their trash carts and recycling containers on those two days after they are emptied. The City is advising residents to leave their Republic trash carts by the curb.

The new service provider is Ray's Trash Inc. Ray's will be mailing out informational brochures by June 19<sup>th</sup>. These brochures will provide the new city-wide trash and recycling guidelines. Tags referencing the day of pick up will be affixed to the new Ray's carts. Cart delivery will begin the week of June 22<sup>nd</sup> and each residence will receive one 96 gallon container for trash and one 65 gallon container for recycling. Both trash and recycling will be collected weekly on the same day. Each residence is entitled to have up to three total carts (up to two trash carts). You may request your third cart after implementation is complete by contacting Ray's 1(800)531-6752 after August 1<sup>st</sup>, 2009.

If additional information is needed, please call Westfield Customer Service at 317-804-3150.
